ARCGIS - Licensing ArcGIS Pro

Steps in order to license ArcGIS Pro app on the DMZ1 CWS environment.

1) Open ArcGIS Pro software

A		
Ā	Access	
S	Alarms & Clock	
	ArcGIS	
0	ArcGIS Pro	
2	ArcGIS Pro Online Help	

2) Wait until the logon screen appears. At the Login screen, click on the green text appearing downside where it says "Configure your licensing options".

	ArcGIS Sign In
	ArcGIS Pro wants to access your ArcGIS Online account information (?)
	Sign in with Gesri
	ArcGIS login
	8
	D Password
	Sign In Cancel
	Forgot username? or Forgot password?
	Your ArcGIS organization's URL
ArcGIS Pro	0 0 G O
Initializing	Privacy
© 2017 Exit. All Rights Reterved.	Sign me in automatically Configure your licensing options

3) On the "License Type" drop down select "Concurrent use license". And wait until the new screen loads.

Configure Aut	thorization
Select your au	thorization type from the drop-down list below:
License Type	Named User License Learn More
	Single Use License
	Named User License
Configure you	Concurrent Use License
Please configu	ire your licensing portal and sign in to ArcGIS Online or Portal for ArcGIS
with an accou	nt licensed to use Pro.

ARCGIS - Licensing ArcGIS Pro

 In the field called "License Manager" and that is filled like "Not_Set", erase it and type: esri-lm.eea.dmz1 and click on "Refresh" (If you don't have the "Refresh" button just press Enter)

Select your authorization type from the drop-down list below: License Type Concurrent Use License Learn More Learn More Select the Pro core product license level below: Advanced Standard Basic License Manager eini-m.ees.dmz1
License Type Concurrent Use License - Learn More License Level License Nor core product license level below: Advanced Standard Basic
License Level Select the Pro core product license level below: Advanced Standard Basic License Manager ein-Im.eta.dmz1
Select the Pro core product license level below: Advanced Standard Basic Jcense Manager ésri-Im.cea.dmz1
Advanced Standard Basic
License Manager esri-Im.eea.dmz1
Backup (Optional)
Name Licensed Available Seats Expire:
ArcGISPro Advanced 0 N/A

5) A list of already pre-selected License seats will appear with the ArcGIS Pro key already selected. Nothing to touch here.

Name	Licensed	Available Seats	Expires	4
ArcGIS Pro Advanced	~	12	Never	
3D Analyst		1	Never	
Aviation Airports		0	N/A	
Business Analyst		0	N/A	
Data Interoperability		0	N/A	
Data Reviewer		2	Never	
Defense Mapping		0	N/A	
Geostatistical Analyst		3	Never	
Image Analyst		2	Never	
LocateXT		0	N/A	
Location Referencing		0	N/A	v

6) Just click "OK" or "Apply" on the remaining screens and ArcGIS Pro will open itself in licensed mode (depending on the version it will pop-up a message saying the ArcGIS Pro needs to be closed and executed again in order to apply the changes).
